SUMMARY

I am a software developer with experience in full-stack development, specializing in delivering robust web applications and data-driven solutions. Proficient in Java, Node.js, and modern web technologies, I have contributed to end-to-end software development processes, ensuring quality and efficiency. With a strong foundation in problem-solving and logical thinking, I aim to create impactful solutions that drive success.

TECHNICAL SKILLS

- | | | |
|--------------|----------|-----------|
| • Java | • HTML | • MySQL |
| • C | • CSS | • MongoDB |
| • JavaScript | • NodeJs | • Redis |

PROFESSIONAL EXPERIENCE

Software Engineer, PSG Software Technologies

July 2023 – Present

- Designed RESTful APIs using Node.js, enabling efficient communication between the front-end and back-end systems.
- Implemented CRUD operations and optimized NoSQL queries for high-performance MongoDB database interactions.
- Built dynamic and responsive user interfaces using Angular reactive forms and component-based architecture.
- Followed Agile methodologies with daily stand-ups, sprint planning, and regular code reviews.
- Conducted unit and integration testing using Postman to ensure application reliability and performance.

Software Developer Intern, Zoho Corporation

Sep 2022 – Apr 2023

- Built Java-based applications and tools through academic-industry training programs.
- Utilized object-oriented programming concepts to develop solutions for practical, real-world challenges.
- Participated in Agile development processes, contributing to system design, implementation, and testing activities.

EDUCATION

Bachelor of Technology in Information Technology

Aug 2019 - May 2023

Sri Shakthi Institute of Engineering and Technology

- Graduated with a 7.9 CGPA, with a focus on computer systems, software engineering, networking, and database management.
- Built hands-on expertise in full-stack development, Java programming, and web technologies through practical projects like course outcome calculators and Java-based web applications.
